It was Creative Maths week last week and all classes got involved in some fantastic and creative maths activities. We celebrated their learning in assembly on Friday including learning about number operations, quick recall of maths facts, measurement, as well as Year 6 inventing their own number systems and teaching us all about the origins of number! Well done to all the staff and pupils and especially Miss Sexton who leads maths across the school – it was a great week!

Children due to start school in September 2019

Please note that the closing date for Year R applications for September 2019 is 15th January by 5pm. Please go to <https://www.kent.gov.uk/education-and-children/schools/school-places/primary-school-places#tab-2>

Walk in Wednesdays

Walk in Wednesdays up until Easter will be on 6th February and 3rd April. There will be no Walk in Wednesday in March as Parent's Evening will be taking place at that same time so there will be an opportunity to see work then instead.

PTA Facebook Page

Please can I remind parents that the PTA Facebook page is run by the PTA for PTA business only. If parents would like to raise any questions or queries about the school then they should address those with the class teacher or with Mrs Chalkley or Miss Hanson directly.

Breakfast Club and Early Drop off

We are starting to see quite high numbers of children coming into Breakfast Club and Early Drop off on some days, which is great. However, please could I ask that you book in advance so that we are aware of numbers and can monitor health and safety for the children accordingly. If numbers continue to rise we may need to consider whether we need to impose a maximum number of children who can attend.

PTA News:

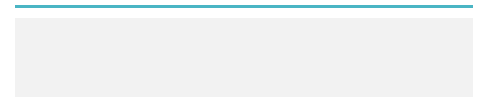

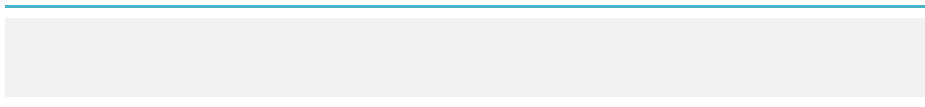

Last Friday Donaldson Class were give their new House colour PE T-shirts in time for their first PE Lesson. These T shirts were donated to them all by the PTA, as a 'welcome to School' gift. We think they look fabulous!!

On the subject of uniform, we have an additional School Uniform supplier - this company is local and will deliver items to school periodically. We are currently sourcing and colour matching various items of uniform to increase the supply of different items. At the moment cardigans, jumpers and PE t shirts are available; we are hoping to have polo shirts & fleeces very shortly.

Severe Snow/Ice Plan for Parents and Families

Every winter brings the possibility of snow and ice. Extreme bad weather can cause widespread and prolonged disruption. Schools are often affected and it can be difficult to maintain an education service.

As a fundamental principle every effort must be made to keep schools open, even if only limited numbers of pupils can attend. However, schools may close due to 'unavoidable' circumstances. Those circumstances being that it is no longer safe for staff or pupils to be onsite.

We recognise that it is important our school remains open so parents are able to work and pupils can continue to learn. Mersham Primary School will make every effort to prepare for severe snow/ice this winter by e.g. gritting pathways, clearing access points etc.

How will we let you know if the school is closed?

If we do experience severe snow/ice resulting in hazardous conditions, Mrs Chalkey may have to take the decision to close the school. Once this decision has been made we will notify parents via the Kent Closures website. To determine whether Mersham Primary School is open or closed please visit www.kentclosures.co.uk. Search for the school in the search box. The Kent Closures website may also be used to find out if other services in Kent are open or closed, such as nurseries, children's centres and libraries. We also recommend parents sign up for Email alerts on the Kent Closures website. This service will send an email alert to let parents know if Mersham Primary School is closed. Local radio will sometimes provide information of school closures.

What can you do to help?

- Please visit www.kent.gov.uk/winter for more information about gritting routes and travel issues around Kent so you can plan your journey.
- Please approach the school from the front entrance as usual.
- Check with the school to see whether you need to provide a packed lunch from home in case school meals cannot be provided.
- Don't forget suitable warm clothing – gloves, hats, scarves, wellies etc. or even a change of clothing.
- If you are a working parent or feel you may have a problem with a sudden earlier pick up, please could you put a back-up plan in place with another family member or parent and inform the school. This will allow staff to leave earlier for their safety if weather dictates.

Many thanks for your support in helping Mersham Primary School remain open during periods of severe snow/ice.
