There has been a definite change in the weather over the last week! Please can you ensure your children have a suitable named coat in school and as it gets colder, they may also need gloves, hat, scarf etc. (also named please!) Please can I also ask that any umbrellas the children may want to use on the journey to school, go home with parents and are not brought into school.

Mrs Maher also sent a message out last week about having a spare set of clothes in school (to be kept in lockers) that children can change into should they get a bit wet whilst doing PE, as we are not able to use the hall at this time.

Flu Vaccinations

All children at the school are eligible for a free flu vaccination that will be administered as a nasal spray by the school nurses, in school on 24th November. The government has urged as many people as possible to take up the offer of a flu vaccination this year to support the fight against COVID-19. A letter from the NHS has been sent to all parents today requesting parental consent and I would encourage all parents to complete the online form. If you have any questions regarding this please contact Mrs Chalkley. The school has also arranged for all staff to have access to a vaccination this year (if not eligible via the NHS).

Year 6 Parents

Following a couple of enquiries, this is just a reminder that applications for secondary schools must be in by midnight on 2nd November.

COVID Symptoms – Guidance for schools from Kent County Council

There is a lot of frustration at the moment I know, with regard to children having to be kept off school with a mild illness that is unlikely to be Covid-19. With the challenges associated with the testing system as well, this is just making the situation for parents worse. Whilst I fully appreciate these challenges, the guidance is quite clear and is as follows:

There is a national 'case definition' which identifies Covid symptoms as:

- a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Where an individual presents with one of the above symptoms they should self-isolate and receive a test. We understand that there is much discussion nationally regarding additional symptoms and their link to Covid 19, however the above three symptoms remain the only symptoms where an individual needs to isolate and seek a test unless they are requested to seek a test by a health professional.

We are also aware of cases where children or staff present with one of the above symptoms for a short period of time, such as 1 day, and then wish to return to school without testing or self-isolation when they no longer have these symptoms; often after having discussed their symptoms with a health professional such as a GP who concludes they are likely to have an illness other than Covid.

We have sought advice on this matter and it remains that anybody presenting with one of the three symptoms must isolate for 10 days and only return prior to that if they have received a negative test result and feel well. It is important that schools consistently follow the procedures set out in their policies and risk assessments and that those policies are based on current guidance, which has not changed on this matter. A telephone consultation with a health professional that reports Covid is unlikely is not a reason for the school to deviate from the policy where an individual has had one of the three Covid symptoms.

Parents Evenings

Just to let you know that Parent's evenings, that usually take place at the start of term 2 will all take place virtually this year. Further details will be available nearer the time.

Class emails

Just a reminder that if you have any non-urgent questions for the class teacher, please use the class email addresses. These are being checked regularly by the class teachers.
