**Next week, I will be undertaking Ofsted Inspector training so will not be in school all week, in case anyone should wonder where I am! I am part of a pilot project that Ofsted is running in Kent (and other parts of the country) to train school leaders to be able to support inspection and we will be a new type of inspector, to be known as Ofsted Peer Inspectors. In my absence, Mrs Benjamin (Tuesday, Wednesday, Friday), Mrs Jackson (Monday) and Mrs Sly (Thursday) will be the senior members of staff should you have any concerns.**

### **Winter Weather Guidance from Kent County Council**

#### **Severe Snow/Ice Plan for Parents and Families**

Every winter brings the possibility of snow and ice. Extreme bad weather can cause widespread and prolonged disruption. Schools are often affected, and it can be challenging to maintain an education service.

As a fundamental principle, every effort must be made to keep schools open, even if only limited numbers of pupils can attend. However, schools may close due to 'unavoidable' circumstances. Given those circumstances, it is no longer safe for staff or pupils to be on-site.

We recognise that it is important for our school to remain open, so parents can continue to work and pupils can continue to learn. **Mersham Primary School** will make every effort to prepare for severe snow/ice this winter by gritting pathways, clearing access points, etc

#### **How will we let you know if the school is closed?**

If we do experience severe snow/ice resulting in hazardous conditions, Mrs Chalkley may have to make the decision to close the school. Once this decision has been made, we will notify parents via the Kent Closures website, which can be accessed here: <https://www.kentclosures.co.uk>

To receive alerts, it is necessary for parents to register and sign up for email and/or Android smartphone notifications on the Kent Closures website. This service will send an email alert to let parents know if **Mersham Primary School** is closed. It is free to use.

Local radio will sometimes provide information on school closures.

#### **What can you do to help?**

Please visit [www.kent.gov.uk/winter](http://www.kent.gov.uk/winter) for more information about gritting routes and travel issues around Kent so you can plan your journey.

Please approach the school with caution – it can be really icy on the road in front of the school and through the village/country lanes.

Check with the school to see whether you need to provide a packed lunch from home in case school meals cannot be provided.

Don't forget suitable warm clothing – gloves, hats, scarves, wellies, etc. or even a change of clothing.

If you are a working parent or feel you may have a problem with a sudden earlier pick up, please could you put a back-up plan in place with another family member or parent and inform the school. This will allow staff to leave earlier for their safety if the weather dictates.

Many thanks for your support in helping **Mersham Primary School** remain open during periods of severe snow/ice.
