## A little help from our friends ... and PTFA Lite

School has asked us to contribute to the refreshments stall at their Hall Celebration event on 30 March. PTFA members and their contacts have made many kind donations: tea and coffee, some fizz from Mersham Stores, some biscuits from caterer Baohemian, a school mummy who has a business selling chocolate has donated confectionary and M&S has donated biscuits too. Thanks to all the PTFA members involved.

The idea of becoming involved with the PTFA might feel overwhelming. We do desperately need more committee members. The **next meeting is 24 April after school**. But do you know you can help in a dozen small ways too? Your advice, your contacts, your time to send an email, working on a stall, donating the things you can spare - all these things help us make money for school and have the kind of community where we get to know and support each other. And school really does need our help in these tough times.

### Next volunteering opportunity:

PTFA stall at hall celebration 30 March -  
More volunteers warmly welcomed to help serve refreshments and to chat to people about PTFA. WhatsApp Hannah 07723096684  
**Next newsletter:** pics, winners and chat about Easter bake off and tea party.
