

## Have chairs Need blinds

**Thank you to our donors for the new chairs! £4092 has been spent buying super robust chairs for the new hall!**

The amount in 'hall' fund from Disco, Easter cake sale and chocolate raffle is £807.98. The quote school has been given for electric blinds is just over £1k.

Our current goal is to raise another £500 so we can cover this cost without concern. It's hard to convey how squeezed school budgets are.

Some people say 'We shouldn't have to fund this'. We agree.

But all schools face tough times.

If your family could afford to help - pennies or pounds - please get in touch.
